When the weather outside is blustery, nothing feels more cozy than a log cabin with a roaring fire. Big Cedar Lodge in the Ozark Mountains provides the rustic ambiance of a wilderness resort, with all the modern comforts. The majestic property, located in America's Heartland near Branson, Missouri, features four restaurants, a world-class spa, a natural history museum and panoramic views of Table Rock Lake. The lodge's Grandview Conference Center boasts more than 20,000 sq. ft. of flexible meeting space with unique touches such as lighting fixtures with antlers. bigcedar.com
