*We'd recommend these stunning heartland winners again and again.*

Want to get married in the heartland? Look no further, because we've rounded up a list of the best of the best Midwest wedding venues, from Minneapolis to Cleveland. On it, you'll find rustic barns (obvi!), along with some of the region's coolest greenhouses, restored hotels, and standout art museums.

Big Cedar Lodge in Ridgedale, Missouri

Take your pick of four wedding chapels at this Ozark Mountains resort! And for the main event, choose between Worman House, a cozy cottage with 360 degree views of Table Rock Lake, or the lake itself, where there's a yacht ready to host 45.
