The Governor's Suite at Big Cedar Lodge

Ridgedale, Missouri

Though not officially dubbed a Presidential Suite, the Governor's Suite nonetheless provides a noteworthy (and high-end) experience for its guests. The exclusive suite offers a quintessential Ozarks retreat with

2,500 square feet of living space. Inside the suite, guests have access to four bedrooms, including a master bedroom with a king bed, balcony and bathroom with a jetted tub, a full kitchen, a cozy living room with fireplace and a large balcony with gas grill and panoramic lake views. A grandiose wilderness resort in every respect, Big Cedar Lodge takes the concept of a turn-of-the-century Adirondack hunting lodge up a notch.
