TOP OF THE ROCK

Long before Top of the Rock was home to world-class attractions, legendary golf, and spectacular restaurants, it was home to an esteemed Ozarkian. What is now known as Osage Restaurant and Buffalo Bar was once the homestead of Dr. Graham Clark, former president of nearby College of the Ozarks. As a dear friend of Dr. Clark, Johnny Morris spent years admiring this treasured plot of land and purchased the property in 1995. Two years later Morris opened Top of the Rock Restaurant and Golf Course to the public. In 2005 a small kitchen fire broke out at Top of the Rock Restaurant. Where most would see misfortune, Morris saw an opportunity to transform the property into the one-of-a-kind destination he had always imagined.

Over the next several years the property was developed to include a variety of attractions and dining outlets. Each amenity was artfully designed to indulge the visitor in the rich history and beauty of the Ozarks. Johnny Morris' Top of the Rock Ozarks Heritage Preserve reopened in 2014 in conjunction with the 1st Annual PGA Champions TOUR event, the Bass Pro Shops Legends of Golf at Big Cedar Lodge.

The reopening of the property introduced the two-and-a-half mile Lost Canyon Cave and Nature Trail, the Ancient Ozarks Natural History Museum, magnificent dining outlets, the Chapel of the Ozarks, and legendary golf with elements designed by Jack Nicklaus, Arnold Palmer and Tom Watson. As the vision for Top of the Rock continues to grow, we invite you to enjoy the captivating history and beauty of the Ozarks that surrounds you.
